DEPLOYMENT WITHOUT RAMP OR LIFT ACCESS

We usually do not do any event with Non-lift/Ramp Access areas.

- We look out for the well-being of our events team and we do not do any events without direct lift or ramp access as our equipments and service counters are heavy.

Should there be a need to use stairs, the rate will be a surcharge of: $80 per Live Station, per level, per trip.

- Example: 2 Live Stations to be deployed at Level 2 using stairs.
  - $80 x 1 level up = $80.
  - $$80 x 2 trips (setup and teardown) = $160.
  - $160 x 2 live stations = $320 total surcharge.

Kindly communicate this request to your sales representative so that we are aware and send the correct team to handle your request.
